SUBTRACTION FOR CONTRIBUTION OF ARTWORK INSTRUCTIONS Attach to your tax return.

GENERAL INSTRUCTIONS

Who May File

A subtraction for a contribution of artwork may be made by qualifying persons who have donated their own artwork(s) to a Maryland museum.

Qualifying Guidelines

You qualify for this subtraction if:

- 50% or more of your income (for this year or last year) comes from the sale of your own artwork, and,
- A museum located in Maryland that is open to the general public accepts your artwork.

Required Attachments

You must attach to your Maryland return a completed Form 502AC, verification by an independent appraiser of the fair market value of the artwork and written acceptance from the museum.

Taxpayers Filing Joint Maryland Returns

This subtraction only can be used to reduce the taxable income of the qualifying taxpayer. If the federal adjusted gross income, plus Maryland additions, includes any income received by the spouse of the contributing artist, the spouse's income must be subtracted from the figures entered on line 1 and line 4 of Form 502AC. Attach a schedule showing the modification.

PART C

- **Line 10** Enter the fair market value of the artwork from the appraisal.
- Line 11 You must reduce the value of the artwork by any amounts which are deductible from federal adjusted gross income. If your federal or state itemized deductions contain any amounts which are attributable to the donated artwork, enter those amounts on this line.
- **Line 12** Subtract line 11 from line 10 and enter the result here
