TAX CREDITS

Out of State Tax Credit: Individuals are allowed a credit against the Maryland income tax for income taxes paid to another state on such part of their net income as is properly subject to taxation in the other state; the amount of tax payable by Maryland residents is reduced by a portion of the amount of income tax paid to the other state, when the other state provides no credit to Maryland residents. The revenue of the subdivisions is not affected by this credit, as it applies to the state income tax only.

Business Tax Credits: Individuals are allowed credits against the Maryland income tax for credits claimed on Form 500CR realized through a sole proprietorship or pass through entity. For a complete description of these available credits, please refer to the Form 500CR and its instructions.

Earned Income Tax Credit: Individuals are allowed a credit against the Maryland income tax for 1/2 the Federal Earned Income Credit, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit, as it is applied prior to the computation of local income tax. For low income individuals, a portion of the Federal Earned Income Credit may be refundable.

TAX CREDITS (continued)

Poverty Level Tax Credit: Certain individuals with incomes below poverty level are allowed a credit against the Maryland income tax for a percentage of certain earned income, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit as it is applied prior to the computation of local income tax.

Child and Dependent Care Credit: Individuals are allowed a credit against the Maryland income tax of 25% of the federal child and dependent care credit claimed. The credit is phased out when federal adjusted gross income is above certain limitations. The credit can not exceed the State tax liability and may not be refunded.

Quality Teacher Incentive Credit: Maryland teachers are allowed a credit for a portion of the unreimbursed cost of graduate level courses required to maintain certification. The credit can not exceed the State liability and may not be refunded.

Long Term Care Insurance Credit: Individuals are allowed a credit of up to \$500 per covered individual for premiums paid during the tax year for long term care insurance covering themselves or their spouse, parent, step-parent, child or step-child. The credit may not be taken for the same individual by more than one taxpayer, by any taxpayer in a prior year, for an individual who is not a Maryland resident, or for an individual who was covered by long term care insurance before July 1, 2000. The credit is subject to certain maximum amounts, and can not exceed the State tax liability and may not be refunded.
